

Dunbarton Garden

Club
Scholarship Information 2024-2025

The Dunbarton Garden Club will offer *one* \$1,500 scholarship to a graduating Dunbarton senior, who attends Bow High School. Therefore, preference will be given to a Dunbarton resident who is in good academic standing. This scholarship is open to an applicant who is attending an institute of higher learning to study any of the following: *horticulture, agriculture, floriculture, botany, conservation, environmental sciences, forestry, plant sciences, garden history and design, landscape architecture, pollinator research, conservation, and ecological restoration.*

The applicant shall complete an essay stating their educational goals and convey any activities that are connected to these goals. In addition, two letters of recommendation from their current high school teachers and/or counselor and a copy of their high school transcript is required.

The deadline for applications is April 01, 2025

The recipient will be notified by Dunbarton Garden Club Scholarship Committee prior to the annual Bow High School Senior Awards Program which takes place in early June.

The Dunbarton Garden Club would like to have the recipient attend the May 12, 2025, meeting and speak briefly to the membership about their high school experience and plans for the future.
