What does the Dunbarton Garden Club (DGC) do?

We meet monthly from April to December and plan events that support our mission including but not limited to:

- We sponsor a scholarship program for a Dunbarton high school student.
- We provide town common maintenance – activities held throughout the year (dates and times to be announced). Rake, weed, plant flowers, trees, bushes, spread mulch, water, etc.
- We host a large fall Mum sale to help fund our annual budget.
- We sponsor the Roots Program at Dunbarton Elementary School.

Who We Are

About Us

The Dunbarton Garden Club is a volunteer organization. Members are encouraged to donate their time and effort in pursuit of the club's activities. Please participate in:

Our Mission

To create an interest in gardening, in all its branches, to encourage the beautification of homes in the community, beautify the town common, and to interest school children in the knowledge and preservation of the same.

How do I join?

Email us to get an application

The membership in this organization is open to all those residents of Dunbarton and its immediate vicinity who are interested in the stated objects of the club. Membership shall not be restricted as to age. Membership shall be contingent upon payment of dues.

Monthly Meeting and Seminars

The Dunbarton Garden Club provides an opportunity for its members to socialize while learning about gardening, planting, pruning and more. Each of our members brings something special to the club - even if it is just a smile!

You do not need to be a gardening expert to join the club - you just need a desire to learn and share experiences with some really great people. It is especially helpful for people new in town that want to connect with their local community.

“The DGC is very friendly and helpful to members seeking to learn more about gardening and connecting with the town of Dunbarton”

Get the exact results you want

DGC is a 501(c)3, private non-profit. We rely on fundraising and volunteers to achieve our success.

The DGC renovated this space so it could be used as outdoor recreation.

Don't forget to include some specifics about what you offer, and how you differ from the competition.

Our Projects and Committees

We offer a wide range of activities and events as a part of membership including:

- Roots program
- Annual Scholarship
- Annual Mum Sale
- Town Clean Up
- DGC Wreaths Across Dunbarton
- Support Town activities for children and families.

We have the following committees: Cheer, Programs, Scholarship and Hostess.
