Club**
Scholarship Information 2025-2026

The Dunbarton Garden Club will offer *two* \$1,500 scholarships to graduating Dunbarton seniors who attend Bow High School with good academic standing. This scholarship is open to an applicant who will be attending an institute of higher learning to study and connect their area of study to the following: *horticulture, agriculture, floriculture, botany, conservation, environmental sciences, forestry, plant sciences, garden history and design, landscape architecture, pollinator research, conservation, ecological restoration or other field related to environmental improvements, biology, ecology, earth science, oceanography, geology, chemistry, astronomy, meteorology and climate change.*

Each applicant shall complete an essay stating their educational goals and describe any current or past activities that are connected to these goals. In addition, two letters of recommendation from their current high school teachers and/or counselor and a copy of their high school transcript is needed.

The deadline for applications is the first Monday in April 2026.

The recipient will be notified by the Dunbarton Garden Club Scholarship Committee prior to the annual Bow High School Senior Awards Program which takes place in early June.

The Dunbarton Garden Club would like to have the recipient(s) attend the meeting on May 11, 2026, meeting and speak briefly to the membership about their high school experience and plans.
